

The International Society of Air Safety Investigators
invites you to the

ISASI 2014 Seminar

ISASI 2014

Adelaide, Australia • 13 - 16 October

The central theme is
Investigations and Safety Management Systems

Official carrier for the ISASI 2014 Seminar

Seminar information

Technical presentations will address the theme of safety management systems and other contemporary matters of aviation safety investigation, including recent case studies, new investigation methods and aviation safety trends.

Delegates will receive an electronic copy of all technical papers presented at the conference. A hard copy version of the proceedings will also be available for purchase from ISASI in the USA. The seminar is being hosted by ASASI on behalf of ISASI.

Presentations

Speakers are experts in their fields, and most have many years of air safety investigation experience. A call for papers is invited from prospective presenters. Details can be found on the ASASI website at: www.asasi.org

Meetings and working groups

ISASI national society and chapter meetings are anticipated to take place on Tuesday evening. Working groups will meet on Wednesday afternoon at 5:00pm.

Tutorials will be conducted on Monday 13 October 2014. The tutorials will offer delegates the opportunity to share information with colleagues and subject matter experts.

Venue

The idyllic surrounds of the Glenelg beach foreshore, Adelaide, is the location of this year's seminar. The venue is the Stamford Grand hotel, located near the beach and just 11km from the Adelaide CBD. The Stamford Grand provides world class conference facilities, accommodation and catering.

Companion activities

Adelaide provides many exciting opportunities, from just exploring the local area or strolling on the beach to visiting Australia's finest vineyards, renowned for their Shiraz and Cabernets.

Additional organised activities are planned during the week of the seminar that will surely invigorate everyone's senses. For those familiar with the ISASI seminar format, an informal evening is planned for Tuesday, with an optional day outing on Friday. Bring comfortable walking shoes and clothing.

Registration and attendance

Registration and tutorial costs are being finalised. Updated registration details will be available from the ASASI website.

Visa information – It is important that all attendees confirm the requirement for an Australian visa.
