## ***ANZSASI Seminar - Postponed to November 2021***

Ladies and Gentlemen

The COVID-19 situation in Australia is improving with the rollout of the vaccination program and the continuing success of quarantine measures. Unfortunately, not enough for June 2021.

We are fortunate that Paul has been able to negotiate a further *postponement* of the ANZSASI Seminar to a more predictable timeframe without suffering a serious loss of our limited funds. Your Executive has elected to take this opportunity.

In doing so, we have consulted with our New Zealand Society colleagues and they acknowledge this position.

This decision was based on the fact that many international delegates may still be legally prevented from travelling in June. Additionally, others capable of travel may still require a 14-day isolation period prior to, and on return to their homes. This situation is untenable and not conducive to a successful Seminar.

The 2021 ANZSASI Seminar is now scheduled to be held between **12<sup>th</sup> and 14<sup>th</sup> November 2021** at the Novotel Surfers Paradise, Gold Coast. Any members or associates that have previously submitted abstracts for this seminar are requested to, once again confirm their willingness to participate or otherwise please.

We regret having to take this step, but we do so in the interests of all ASASI members. Further details will be advised in our next ASASI Journal.

Until next time, stay safe.

John
