

## ISASI Elections Process

Nominations for ISASI officer positions (for ISASI President, Vice President, Secretary, Treasurer, International Councilor, and U.S. Councilor) closed on July 7, 2024.

We are pleased to report that elections will be necessary as multiple people have put forward their names for positions. The next step in the election process is to announce the candidates – this will be done through member email shortly.

It is necessary to set up the electronic voting system through our contractor. As this process does take some time we appreciate the patience of the membership. The voting will take place in a 60 day window in August and September 2024 and the results will then be sent to members and posted on the ISASI website.

If there are any questions, please contact Troy Jackson at [troy.airsafety@gmail.com](mailto:troy.airsafety@gmail.com).

Kind Regards,

Troy

Troy Jackson  
Nominating Committee Chairman
