

Reachout No. 13

**Seoul
Republic of Korea
16-19 May 2005**

**Hosted by:
Co-operative Development of Operational Safety
and Continuing Airworthiness Programme
North Asia (COSCAP-NA)**

ICAO COSCAP-NA requested a four day workshop on Safety Management Systems as part of a follow on to Reachout Beijing. The original plans were for an extended accident investigation workshop and a separate SMS workshop, but the accident investigation workshop had to be delayed until 2006.

Approximately 100 participants attended from Korean Airlines, the Civil Aviation Authority, Korean airports, the Korean Air Line Pilots Association, the air traffic service provider, the Korean Accident Investigation Board and various other organizations within Korean aviation. As well, two members of the Mongolian Civil Aviation Authority attended.
